

owens:

“The most interesting part of the book is the way in which the author uses the concept of ‘the other’ to explain the behavior of the characters. This is a very clever and original idea, and it makes the book a lot more interesting than it would otherwise be.”

hayhoe:

“The book is a very good example of how to use the concept of ‘the other’ to explain the behavior of the characters. It is a very clever and original idea, and it makes the book a lot more interesting than it would otherwise be.”
